Dahlias under color put up especially for counter trade, bulb labeled as to color, red, white, pink, autumn shade, purple and variegated. These are all large double dahlias and would cost a great deal more if sold under name, separate or assorted shades—\$6.00 per 100; \$50.00 per 1,000.

Our stock is carefully trimmed and not dried or shriveled. They look good enough to eat. We guarantee every tuber true to name.

## GLADFORDS

This new strain of Gladiolus is of our own production, thus the name "Gladfords". These creations are not only of new and rare shades, but are far more productive as to number of flowering spikes. We have cut as high as six spikes from one bulb. If you are looking for something new and unique in "Glads", do not fail to order at least a few "Gladfords."

We are offering them this year for the first time put up in mixtures.
